### ABOUT US

The WunderGlo Foundation was launched by O'Melveny attorney Gloria Borges, 1-year after she was diagnosed with Stage-4 colon cancer at age 28. Gloria was on the partner path at her dream Law firm when cancer intruded. Gloria knew that this was another way to lead and help people. Gloria brilliantly ran WunderGlo for 2-1/2 years until her passing on January 5, 2014.. When she started this non-profit, her mission was clear, The WunderGlo Foundation will not rest until there is a cure for colon cancer. We strive to save lives and support cancer warriors by raising funds for colon cancer research, promoting awareness, and encouraging healthy lifestyle choices. The WunderGlo Foundation seeks to empower & inspire those fighting the disease and those finding ways to eradicate it.

### HOLIDAY MOVIE NIGHT, TOY COLLECTION & DISTRIBUTION FOR THE CHILDREN OF WUNDERGLO

The Gloria Borges WunderGlo Foundation started a beautiful tradition for The Holidays in 2016, when we began hosting our free "Tis The Wunder of The Season Family Movie Night". Taking place on the Wednesday after Thanksgiving each year, we enjoy a magical evening feeling the true spirit & meaning of "The Holidays" while watching a delightful holiday movie together in our own private theater at Vintage Theatres, Los Feliz, CA.

This event launches our annual holiday collection drive of toys/books/gift cards from our generous guests & loyal supporters, which we wrap, ship & deliver to children whose families are affected by cancer. Our gifts are NOT "need-based". Our goal is to do something kind for ALL children of ALL cancer patients, survivors, and for those who have lost a parent to cancer- 100% regardless of a family's income level. Cancer doesn't discriminate whose family it affects, so WunderGlo offers our presents and our support to ALL children of cancer patients (all cancers).

The Gloria Borges WunderGlo Foundation believes in supporting the children who are experiencing their parent's cancer diagnosis in their own way and at their own level. The WunderGlo Foundation wants these children to know that we are a group of people in this world who care about their lives and what they go through. These are: "The Children of WunderGlo".
